<sup>1</sup> A \*°°' following a place name indicates that the place is also a false MCD

<sup>2</sup> In 1990, the crews-of-vessels population of ships at sea was allocated to census tracts with a '.99' suffix. An anchor symbol appeared on the 1990 maps locating a crews-of-vessel tract. These maps show a very small area symbolized as a census tract with the census tract number shown near the area.

3 A '\*' following a block number indicates that the block number is repeated elsewhere in the block.
